Proclamation

A Proclamation of the City Council of the City of Mission Viejo
In Honor of the 35th Anniversary of

Sunrise Senior Living

Whereas, Sunrise Senior Living was founded in 1982 by Paul and Terry Klaassen to champion the quality of life for all seniors as an assisted living community; and

Whereas, for the past 35 years, Sunrise Senior Living has evolved by broadening the assisted living model to provide specialized care with more than 300 communities throughout the United States, and in Canada and the United Kingdom; and

Whereas, Sunrise Senior Living communities have the philosophy that high quality of life is only possible in environments that people find warm, nurturing, comfortable and welcoming; and

Whereas, every Sunrise team member is trained to understand the value of the Sunrise Senior Living mission, their Principles of Service and their Core Values, and to use them to guide interactions with residents and team members; and

Whereas, Sunrise Senior Living will celebrate their 35th Anniversary on February 23, 2017 at one of their communities in Mission Viejo.

Now, therefore, I, Wendy Bucknum, by virtue of the authority vested in me as Mayor of the City of Mission Viejo and on behalf of the City Council, do hereby congratulate Sunrise Senior Living on the occasion of their 35th Anniversary and we wish continued success in Mission Viejo for many more years to come.
